## *Foreword*

This year, 1930, marks the fiftieth year since the founding of the herd by our father, and grandfather, Frank Bellows. During all these years it has been our aim to produce the best class of Shorthorns possible.

Continuous use of the best bulls obtainable has given our herd a choice lot of dependable breeding females. It is with pride that we call attention to Lots A and B in this catalog. Such bulls as these do not come by accident, but are the result of the mating of good females with as good sires as can be found.

The bulls and heifers herein catalogued can be relied on to work improvement on other herds in which they may find new homes. There is an especially grand lot of heifers included. They are good individuals and carry pedigrees, the like of which are found in few auctions.

Our bulls are somewhat younger as a lot than usually offered, but they are very promising and will bear inspection of the most critical.

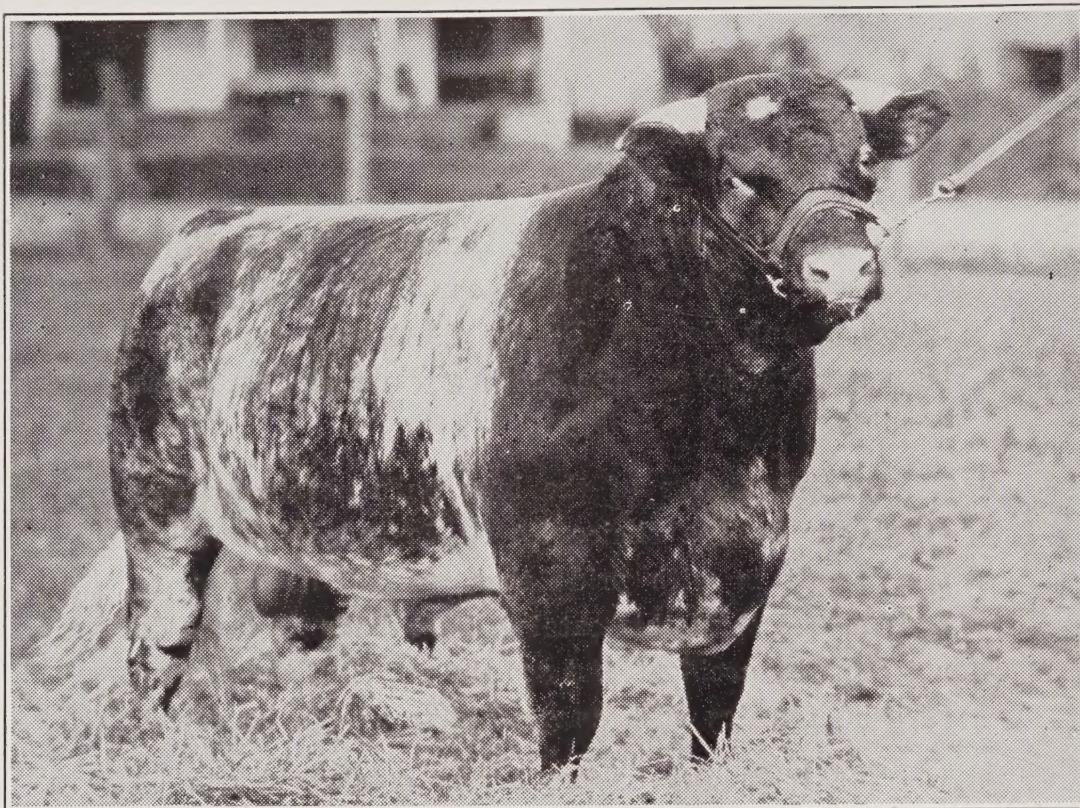

We are planning a little banquet the evening before the sale and wish to extend to all breeders a cordial invitation to be our guests at that time. We will have a few appropriate speeches and a general "get together" meeting.

Attention is directed to the Baker Dispersion Sale in Kansas City Friday, June 27, following our sale.

Plan to attend both sales.

Beauty's Pride is the bull that was purchased in the last Sni-A-Bar sale by The University of Missouri. We leased this bull to use and as will be found, several of the sale females carry his service. He was a very successful show bull last year, having won his class at the last International. He has developed to be a wonderful massive bull, and a cow bred to him should be desirable in any herd.

Fair Beauty

Fair Beauty, the cow pictured above with calf at foot, is the cow from which our Fair Beautys descend. She was purchased by us in 1918. She produced six bulls sired by Village Supreme and left three heifers on the farm. These bulls were Sterling Supreme, Standard Supreme, Supreme Commander, Supreme Archer, Supreme Marshal and Supreme Mason. These bulls headed some of the best herds in the country and sired different International champions.

Never before have we sold a female descendant of this cow and it is only to make an attractive auction that we are including four heifers descending from her in this sale. They are a choice lot and fortunate will be the breeder who puts one or more of these heifers in his herd.
